Reach. Grow. Go.

We are rejoicing that over 2,000 people have received Christ since April 2023! Thank you for your love for people and faithful giving towards fulfilling the purposes of God! Not only did we reach our committed financial goal, but many lives were forever altered because YOU, shared the love of Jesus with people on your jobs, in the community, in the church and wherever you went!

God's priority is to get people born again, so that is our highest priority! We are called to REACH the lost and invite them to connect with the local church so that they can GROW in the knowledge of who they are in Christ; as a result, they will GO and share what they have learned with others! 2 Timothy 2:2 (NLT): "...Now teach these truths to other trustworthy people who will be able to pass them on to others."

As we continue to press towards our goal of 3,000 souls, we ask each of you to prayerfully consider partnering with us in this year's campaign to REACH, GROW and GO. We are preparing by renovating and upgrading our current properties. It is so important to have a place for people to be discipled, find community and connect with other believers. Additionally, we want to provide a place that will impact the future of our younger generations. Your committed participation makes all of this possible!

Together we can, and together we will!

This vision is for a future time. It describes the end, and it will be fulfilled. If it seems slow in coming, wait patiently, for it will surely take place. It will not be delayed."

“I was naked, and you gave me clothing. I was sick, and you cared for me. I was in prison, and you visited me.”
— Matthew 25:36 (NLT)

Because of your generosity, together, we gave **\$515,697.00** to the poor in our community and to outreaches around the world in 2023.

It's time to buy a house! As my husband and I signed the lease on our rental house, we looked at each other and said “This is the last rental lease we are signing! Next year we are buying a house!” Once we decided in our hearts we wanted a house, we prayed and gave it to God, then we activated our faith by physically doing the work. God showed us a plan to build our credit and save money, which began with us being more faithful in giving our tithes, and making a commitment to give towards Arise and Build. On March 24, 2023, we wrote down EXACTLY what we wanted:

1. The **name** of the housing community, the neighborhood and the neighbors we wanted
2. The **date** we wanted to move in: June 1, 2023
3. **Move-in ready house** with all the upgrades
4. **Features** in our house (type of cabinets, sinks, flooring, additions, etc.)
5. **The price** of the home, the exact interest rate we wanted to pay and the down payment amount

Two days before we found the house, I told my mom, “I want to find a house with all of our upgrades in it, move- in ready *and* the buyer just walks away.” The next day we looked at a few houses, but the model we loved was completely sold out. That night we prayed and gave it to God. The next morning we got a call from our realtor saying the model we wanted just became available. ***Its move in ready AND the buyer just walked away.*** WHAT!! We were so excited!

When we went to view the house, every upgrade we wrote on our vision paper was in the house, PLUS so much more! Because the buyer dropped out at the last minute and they needed to sell the house, they dropped the price by \$50,000 which brought it to the EXACT asking price and interest rate that we wrote down on the paper. In addition to that, the date that we signed was the move-in date we wanted. God also gave us the exact type of neighborhood and next door neighbors, (on both sides), that we prayed for!

**Above
AND Beyond**

Writing down the vision and making it plain was the best thing that we could've done! God went **above and beyond** our dreams! Praise God — He is so good!
