## MISSIONS

### Kenneth Hagin Ministries

This ministry was founded in 1963 by Rev. Kenneth E. Hagin. It is currently led by his son, Rev. Kenneth W. Hagin with the help of his wife, Lynette Hagin. This ministry (aka Rhema) is a worldwide ministry based on faith, prayer, and the healing truths in God's Word. As a ministry, they are dedicated to reaching people with the Good News of Jesus Christ. From the beginning, their mandate from God has been to take the Gospel and the message of faith to every corner of the earth. Over the years, that mandate has not changed.

#### All because you gave:

At least 10% of all you give to WLCC goes to support Missionaries and Missions projects at home and overseas. Thank you for your support.
